प्रति, प्रो. लिजाप्रभु, डॉ. रसायनशास्त्र विभाग, डॉ. वेंकटेश्वर महाविद्यालय (DBF), सोलापूर

विषय : रक्तदान शिबीर आयोजित करण्याबाबत.

महोदय, रक्तपेढी श्री. छ. शि. म. स. रुग्णालय, सोलापूर (सिद्धील हॉस्पिटल) ही एक शासकीय संस्था सोलापूर जिल्ह्यातील तसेच जिल्ह्याबाहेरील भराडवाडा व कर्नाटक येथील विजापूर, गुलबर्गा येथील गरीब व गरजू रुग्णांना वैद्यकीय सेवा देते व वैद्यकीय सेवा देताना व रक्तपुरवठा करताना या रक्तपेढीतील काढ्यांकरांना शुद्ध आकाराचे जात नाही. त्यासाठी सिद्धील हॉस्पिटल रक्तपेढीमध्ये दरोज रक्ताचा मुक्कल साठा असणे अत्यंत गरजेचे असते. कारण सर्व अपघात झालेले रुग्ण व गरोदर माता, रक्त संबंधित असलेले रुग्ण (अनेमिया, थॅलेसेमिया, हिमोफीलिया व शिकलसेल अॅनिमिया) यांना मोफत रक्त पुरवले जाते. प्रत्येक वर्षी सिद्धील हॉस्पिटल रक्तपेढी विभागामधून 9000 पेक्षा जास्त रक्त पिशवी गरोदर माता व 400 रक्त पिशवी अपघातग्रस्त रुग्णांना मोफत पुरविल्या जातात. हे आपल्या संस्थेकडून मिळालेल्या रक्तदानातून हे शक्य झाले.

आपली संस्था ही गेल्या कित्येक वर्षांपासून आमच्या संस्थेच्या पाठीशी भक्कमपणे उभी आहे. आमच्या रक्तपेढीत रक्तदान करणाऱ्या प्रत्येक रक्तदात्यास राज्य रक्तसंग्रहण परिषद महाराष्ट्र शासनाच्यावतीने एचिक रक्तदान कार्ड देवून सन्मानित करण्यात येते.

१) हे कार्ड राज्यातील सर्व शासकीय, निमशासकीय, महानगरपालिका संबंधित रक्तपेढ्यांमध्ये समानित करण्यात येईल.

२) कार्डधारक रक्तदात्याला त्याच्या कुटुंब, नातेवाईक अथवा मित्र मंडळींसाठी गरजेच्यावेळी एक रक्तपिशवी मोफत मिळू शकेल.

३) सदर कार्डची मर्यादा रक्तदान केलेल्या दिनांकापासून २ वर्षांपर्यंत राहिल.

हे कार्य असेच अविरतपणे चालू ठेवण्यास बहुसंख्येने स्वेच्छा रक्तदान, रक्तपेढी सिद्धील हॉस्पिटल, सोलापूर येथे करणे गरजेचे आहे, तरी आपण सामाजिक बांधिलकीच्या दृष्टीने रक्तदान शिबीर आपल्या संस्थेला, महाविद्यालयात आयोजित करून सहकार्य करावे हि विनंती.

Late Prin. Dr. N G Zunjurwad Intercollegiate Poster Presentation

Competition in Chemical Sciences

(For PG)

Date: 06/03/2024

It is one of the most important co-curricular activities. It is a program where the reflective answers for the questions are given. Poster Presentation is one of the reflective ways of elaborating ones knowledge in an effective way to others. It's a platform where one can explore their creativity and self confidence. In our college we conduct ***Intercollegiate Poster Presentation Competition in Chemistry on 6th March 2024*** from this year (2023-24) to foster the scientific knowledge in chemistry subject.

Importance of the Chemistry Poster Presentation

1. To develop the spirit of participation
2. To encourage the students for wider reading
3. To develop the cooperation
4. To explore the knowledge
5. To develop the sense of searching and inquiry.
6. To Know about the development of science in the different fields.
7. It helps recognition of the bright and talent students.
8. To build a healthy competition between the students.

Organization of Chemistry Poster Presentation

The chemistry Poster Presentation is conducted with a proper planning in the following steps.

1. Declaration of venue and dates of the Poster Presentation.
2. There are two rounds:

Round I: Presentation of All the posters

Round II: Selected Poster were called for oral presentation

Round III: Selecting top 4 posters for final prize

3. Prize distribution.

Prizes for the winners of Final Round

First Prize	Rs. 1500/-, and a certificate
Second Prize	Rs. 1000/-, and a certificate
Third Prize	Rs. 750/-, and certificate
Consolidated Prize:	Rs. 250/- and certificate

Outcome:

- 1) It is observed that the students have developed competitive spirit and their personality.
- 2) It is observed that students participate in the competition with full preparation of the topics.
- 3) It was noticed that, students have a curiosity about the poster presentation.
- 4) Enthusiasm was noticed among the students. Students realized that they could present subjects with patience and in effective manner.

Following examiners were appointed for the competition Examiners:

1. Dr. S. Y. Jadhav

Dear students,

On behalf of organising committee, we cordially invite you to historic place Solapur for Late Prin. Dr. N. G. Zunjurwad Intercollegiate Poster Presentation Competition in Chemical Sciences on Tuesday 5th March 2024 sponsored by alumnus, beloved daughter of Late Prin. Dr. N. G. Zunjurwad, Dr. Geeta Narayan Zunjurwad. The purpose of this Poster presentation is to inculcate the knowledge of chemistry and its popularization.

ABOUT COLLEGE :

The college is one of the oldest and biggest in this region imparting education to more than five thousand students. The college has been recognized by UGC as College with Potential for Excellence (Phase - II). College has re-accredited with 'B++' by NAAC. Our college has been awarded 1st prize in AAA and 1st prize in Campus cleaning by Solapur Municipal Corporation, Solapur. Along with the 21 undergraduate programs, the college is also running the post graduate programs in Pharmaceutical Chemistry, Physical Chemistry, Organic Chemistry, Physics, Botany, Zoology, Microbiology, Mathematics, English, Economics, History, Political Science, Hindi, Marathi and Geography. Eight research centers are approved by university in various subjects. The college is having highly dedicated and research-oriented staff. The college is running about 30 skill-oriented courses under Mahatma Anand Swami skill development centre.

ABOUT DEPARTMENT

The chemistry department was established in 1940. The department is running PG in Pharmaceutical, Organic and Physical Chemistry. Research activities in the various topics such as high-performance materials, Organic synthesis, Medicinal chemistry, Green Chemistry, Nano-composites, Photochemistry, Environmental chemistry. Coordination chemistry is going on. The department is recognized research center for Ph.D. At present 13 students are working for their doctoral research and 07 students were awarded Doctoral degree. Department has completed/ongoing 10 research projects and 03 patents were patented by our faculty. Our past students are doing well in various areas in India as well as abroad. The numbers of students have qualified NET/SET/GATE examinations. The department has developed industry-college interactions. The scientists from France, Brazil, IISER Pune, NCL Pune, BARC Mumbai, and DRDO Pune etc. has visited and appreciated the departmental programs as well as activities.

Nature of Presentation

* Total two rounds will be conducted

First Round : Display of Poster
Second Round : Oral Presentation of selected participants / team

(Note - 7 minutes for oral presentation and 2 minutes for discussion)

Themes for Poster

- | | |
|------------------------|-----------------------------|
| 1) Organic Chemistry | 5) Pharmaceutical Chemistry |
| 2) Inorganic Chemistry | 6) Analytical Chemistry |
| 3) Physical Chemistry | 7) Polymer Chemistry |
| 4) Medicinal Chemistry | 8) Material Chemistry |

Instructions :

- * Maximum two participants will be allowed in one team
- * One or More than one team of a college can participate
- * College ID card is mandatory
- * Letter regarding participation from Principal or Head is mandatory
- * The poster size will be 1 x 1 meter
- * The expenditure for poster preparation should be borne by the participant students
- * Participation certificate will be provided to all participants
- * Limited breakfast for all participants will be provided
- * Registration fee of Rs. 50/- per participant student should be paid on the day of competition
- * The decision of the examiners is final
- * No traveling expenses will be paid to the participant

1] Jadhav Vitthal Bhandu	Good Campus Educative....
2] Shinde Kishor Anil	I learn new innovation and idea about chemistry industry and also i visit the research lab and observe them.
3] Lantare P.C.	special thanks to Prof. Dr. N.G. Zambharkar and D.B.F. Deyanand college of Art's and science.
4] Pawar S.D	Poster presentation all arrangement are very good. Our College Campus and chemical labs are very develop and good.
5] Mone R.J.	Good Campus.
6] Kore A.J.	Poster presentation all arrangement are very nice & good.
7] Sabate V.M	Poster presentation all arrangement are very nice and good Teachers staff, student college campus, Labs are nice
8. Supkar N.J	First of all, Thanks to All the staff for all the encouragement & Guidance for our future. Except some students others are so Co-operative & Humble Thank you.
9. Yadav P.H.	Poster presentation all arrangement are very good. Teachers Staff and College Campus is excellent.
10. Tale A.L.	I like chemistry department, campus & your college. then your arrangement about the poster presentation is good. All teachers are nice & courages & motivative. Thank you 😊
11. Dhuttargi S.M.	I got to learn new things from this poster presentation competition. This way I build my self- confidence.
12. Lokare M.S.	It was a great experience participating in this poster presentation competition. I got to learn many new things about various subjects & aspects. I also developed a new level of self-confidence today.

13. Chivare P.M. I ^{learned} a lot of new things during this competition. The arrangement was also good.

14. Honde R.N. I learned and found new things during this competition. The poster presentation was good & to gain how to increase stage during as well as found the information related to various subjects.

15. Mujawar A.I. I learned new things. Because of this competition my confidence level ^{increases} developed.

16. Dasi L.O. This was God. It's nice experience because I got opportunity to show my ideas from poster. I learned new things. Participating in this competition boosts my self confidence. Thankful ~~for~~ all teacher & staff.

17. Dixit S.P. It is very nice experience for me. I am thankful ~~for~~ to all the teachers & staff for giving me the opportunity to participate in this competition.

Late Prin. Dr. N G Zunjurwad Intercollegiate Quiz Competition in Chemistry

(For UG)

Date: 05/03/2024

It is one of the most important co-curricular activities. It is a program where the reflective answers for the questions are given. Today most of the social organizations are conducting quiz contests in different forms like Koun Banega karodpati, Bournvita competition, Mathematics Olympiad, Chemistry Olympiad, General Knowledge quiz competition etc.,

In our college we conduct ***Intercollegiate Quiz Competition in Chemistry on 5th March 2024*** from this year (2023-24) to foster the scientific knowledge in chemistry subject.

Importance of the Chemistry Quiz

1. To develop the spirit of participation
2. To encourage the students for wider reading
3. To develop the cooperation
4. To explore the knowledge
5. To develop the sense of searching and inquiry.
6. To Know about the development of science in the different fields.
7. It helps recognition of the bright and talent students.
8. To build a healthy competition between the students.

Organization of Chemistry Quiz

The chemistry quiz is conducted with a proper planning in the following steps.

1. Declaration of venue and dates of the written test and quiz competition.
2. There are three rounds:

Round I: A written test of 30 marks to short list the students for second round.

Round II: Quiz competition by forming 10 groups of students from student participant according their marks secured in round I.

Round III: Selecting top six groups for final competition round by their score obtained in round II.

3. Conducting Final round

4. Prize distribution.

The prizes are to be given to 4 groups of students selected in a final round including 1 consolidated prizes. The certificates are to be given to all participants. The amount for these prizes is from an interest received from the donations deposited by our past students.

Prizes for the winners of Final Round

First Prize Rs. 1500/-, and a certificate

Second Prize Rs. 1000/-, and a certificate

Third Prize Rs. 750/-, and certificate

An appeal was made to the students to participate in the quiz competition by circulating quizflyer to the all colleges affiliated to the PAH Solapur University, Solapur. According to the appeal on an average 90 students (30 teams) were participated. Out of which 10 teams were short listed for the 1st round. From these 6 teams were selected for final round.

Outcome:

- 1) It is observed that the students have developed competitive spirit and their personality.
- 2) It is observed that students participate in the competition with full preparation of the topics.
- 3) It was noticed that, students have a curiosity about the quiz.
- 4) Enthusiasm was noticed among the students. Students realized that they could present subjects with patience and in effective manner.

Following examiners were appointed for the competition Examiners:

1. Mr. A R Reshimkar

2. Mr. U M Kadampalle
