ABOUT WORKSHOP

Taking cognisance of changing trends in higher education, aligning the reforms and rapidly transforming global education scenario, NAAC has embarked in revising the Assessment and Accreditation (A&A) methodology.

The Revised Assessment and Accreditation (A&A) Framework was launched in July 2017. It represents an explicit paradigm shift making it ICT enabled, objective, transparent, scalable and robust.

The Shift is from qualitative peer judgement to data based quantitative indicator evaluation with increased objectivity and transparency towards extensive use of ICT confirming scalability and robustness in terms of simplification of the process drastic reduction in number of questions, size of the report, visit days, and so on. In terms of boosting benchmarking as quality improvement tool, this has been attempted through comparison of NAAC indicators with other international QA frameworks introducing pre-qualifier for peer team visit, as 30% of system generated score.

It envisages an introduction to *System Generated Scores* (SGS) with combination of online evaluation (about 70%) and peer judgement (about 30%) by introducing the element of *third party validation* of data and the possibility of roping in multiple agencies.

ABOUT COLLEGE

D.B.F. Dayanand College of Arts and Science, Solapur (Maharashtra) was established on 17th June 1940 by DAV College Trust and Management Society, New Delhi. It is one of the leading and heritage educational Institutions and grant-in-aid college (Government of Maharashtra) affiliated to Solapur University, Solapur.

In the past 76 years, D.B.F. Dayanand College of Arts and Science has grown not only in strength and size but also in levels of excellence. As a result, in 2010, it has been bestowed with recognition by University Grants Commission, New Delhi. The college secured “**A**” **grade in reaccreditation process by NAAC, Bangalore(2014 – 2019)**. Further with the evaluation and assessment in 2015, UGC once again bestowed us as “**College with Potential for Excellence**”(CPE) on all India level, in **phase II-(2015-2020)**, and once again the only college in Solapur University jurisdiction. Recently on 1st June 2016, in “**Academic and Administrative Audit**”(AAA), done by Solapur University, the college secured ‘**A**’ **grade with 91.33%** (274/300).

The aims and objectives of the college are to provide modern and ethical education, especially the downtrodden, irrespective of caste, breed, gender, religion and language. The college offers Arts (B.A.) and Science (B.Sc.) degree programmes along with self-financing B.Sc. Computer Science, Seven post graduate courses (M.A.(3), M.Sc.(4)) - affiliated to Solapur University and add-on courses (13) and Library Science (U.G. and P.G) affiliated to Open University -YCMOU Nasik. Being an affiliated college **Internal Quality Assurance Cell** takes care of educational standards.

The College has always focussed on integrated education and inspired teachers to go beyond academic formalism and focus on the intellectual, physical, moral and ethical education of students.

For the benefit of academically poor students, the Institution runs remedial courses. To make teaching and learning more effective and to update knowledge of the students, advanced technological means are effectively used. Internet and Inflibnet facilities are available to the students and the faculty.

In last 5 years 26 (International (2) / National (10) /State /University (7) level) Conferences /Seminars /Workshops /Symposia were organized including Student Seminars (7).

Thirteen Research Centres are approved by University, under 21 Research Guide-staff in Arts and Science Faculties.

A peer reviewed DAV International Journal of Science (Biannual) online as well as in print form is published since 2012, having ISSN number.

Thirty five faculty members have received UGC grants of Rs. 81,34,600/- for 07 major and 33 minor research projects. Three staff members got the Summer Research Fellowship. The members of the faculty have published 259 Research articles/papers in referred International and National Journals and have actively participated (690) and presented (361) papers in seminars, symposia, workshops. One Indian patent is granted to a faculty member.

The college has established a unique History and Culture Museum as “Centre for Preservation of Heritage of Maharashtra” formed as appendages’ to the Department of History and Department of Ancient Indian History & Culture. The centre also promotes activities like preservation of Modi and Brahmi - the dying scripts and Vedic Sanskrit.

The excavation at Kudal Sangam, buried historical site, has opened a new window in Archaeological research.

College has installed a Consultancy Centre for farmers, civilians and industrialist to provide guidance for rain water harvesting structures, prospecting and management of ground water through dug wells or bore wells.

The College has placement cell, alumni and parents’ associations and career guidance cell.

NCC and NSS Units of College participate in social programmes connected with AIDS awareness, blood donation, voter registration movement, secular culture, save girl child, plantation, anti-dowry movements etc.

Registration Fee: Rs. 100/-
