## **Best Practices for the academic year 2019-2020**

### **Best Practice 1**

**Title of the Practice:** Women- Architect of Society

**Objectives:**

- To bring awareness about women rights
- To develop attitude for self defense and self security
- To strengthen girl students by creating awareness about health, nutrition and hygiene
- To develop life skills
- To discover innovative, creative potential and hidden talents in girl students
- To make girl students economically stable
- To explore career opportunities
- To develop a sense of social and civic responsibilities

**The Context:**

- Empowerment enables the person to gain insight and to make the person aware of the current situations. The push is needed for a woman in order to develop an attitude and perception for self respect and to know about her capability.
- In spite of her exhaustive work and input, woman is deprived of the earnings and get very meager amount against the work done.
- The college admits a large number of girl students. They come from various backgrounds. Many of them are the first learners from their family and from low socio-economic classes.
- "When you educate a girl you educate a nation", in this context, college instituted Women empowerment cell i.e. AARYA CELL.

**The practice:**

The college has instituted AARYA CELL in the academic year 2014 under the headship of Principal constituting female teaching faculties and representative girl students.

❖ **Awareness programs:**

Various awareness programs and workshops in various formats like guest lecture, rallies, poster exhibitions regarding health, nutrition and hygiene, legal provisions, women trafficking and security, sexual harassment, gender sensitization, career opportunities, effects of tobacco chewing, emerging infectious diseases are conducted. Every year Hb detection and HIV testing camps are organized and anemic girl students are counseled and treated by gynecologists.

❖ **Education and Training:**

Women self competency is achieved and nourished by organizing guest lectures, workshops and training programs on computer literacy, competitive examination guidance, yoga training, self defense

❖ **Ensuring safety:**

Women need safety from eve teasers, rapists, sexual harassment and violence. AARYA Cell trains the girl students for self defense, road safety and even for women trafficking. The college has appointed women security force for security and discipline in the campus.

❖ **Motivational programs:**

Girl students are motivated to explore their hidden talent to participate in Avishkar research festival, food festival, rangoli, mehendi, drawing, elocution, essay writing, debate, singing and other cultural and art work competitions organized by our college and also other colleges. From academic year 2017-2018 the college is organizing various competitions viz Dayanand Shri, Miss Dayanand, Dayanand Talent Search, Science Olympiad, Quiz competitions, Mahatma Anand Swami spelling competition, Naitik Pariksha (Dharmshiksha) examination and Yuvati Mohostav. Girl students are also motivated to participate in Startup India program.

❖ **Socio-economic aid and educational aid:**

Economically weaker girl students are gifted dress material. This year single girl child, single parent and member of farmer family with suicidal death were given scholarships.

❖ **Grooming of overall personality:**

To develop overall personality of girl students, guest lectures and workshops on career guidance and job opportunity, life skill, spoken English are organized.

❖ **Traditional day programs:**

To keep connected to our culture, values the teaching, non-teaching female staff and girl students of the college celebrate Dandiya Mohstav, Nagpanchami, Navratri Utstav, Bhondala.

**Evidence of success:**

The successful organization of the events itself is the evidence of success. Following are the outcomes:

❖ **Some of the achievements of girl students and staff are as follows:**

1. Ms Puja Katkar was selected as golden girl in Youth festival.
2. Ms. Ruchika Adam bagged Gold Medal at B.Sc. III in Microbiology from PAH SUS.
3. Ms. Gouravi Santosh Yerankollu qualified SET examination in geology.
4. Ms. Puja Channa of Mathematics department qualified CSIR NET Exam with 93 all India rank
5. Ms. Surabhi Bhayya, NSS cadet won first prize in Rangoli competition & second prize in elocution competition held by Solapur municipality.
6. Dr. Mrs. Rakhi Gavali, Assistant Professor of Chemistry is granted two process patents.
7. Mrs. N.R. Damle of microbiology department is awarded with Ph.D. degree.
8. Following girl students are working as Covid Warriors  
1. Ms. Aafreen Nigewan, M.Sc.-II [microbiology]  
2. Ms. Shruti Chari, M.Sc.-II [microbiology]  
3. Ms. Farzana Shaikh, M.Sc.-II [microbiology]  
4. Ms. Reeta Meshram [Zoology]

❖ **Problems Encountered**

- Overlapping of few theory lectures and practical sessions.
- Social view towards the women still is biased
- Reluctance of girl students to stay for long time in college campus.
- Parents of girl students have a fear of violence and insecurity.

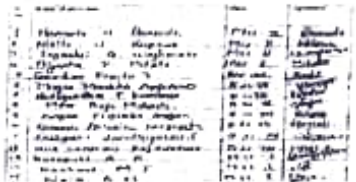

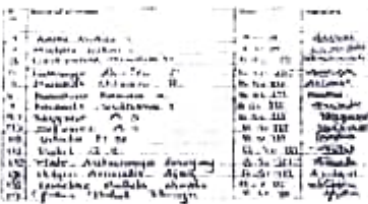

❖ **Resources required**

- Strengthening the girl students by more involvement of NGO, funding agencies, charity trusts.
- Raising public awareness through voluntary organizations.
- Budgetary provision by University to run or implement various activities
- Parental participation and contribution in higher education policy.
- Stipend to girl students especially pursuing higher education like PG and Ph.D. courses.

## BEST PRACTICE: 2

### Title of the Practice: Selfless help to the deserved.

#### Objectives:

- To help financially the deserving students of the college to meet their academic expenses to prevent them from discontinuation of studies.
- To support all the topper students with a cash prize without any discrimination of caste, creed or gender.
- To financially support Divyangjan students of the college.
- To help students without parents and students with single parents.
- To inculcate the values of sense of social responsibility and generosity among the students

#### The context:

The students joining college are mostly from rural areas from nearby villages in and around Solapur. Some students are from economically poor background. There are few students whose parents committed suicide as burden of agricultural loans, Lack of rainfall etc. It was noticed that many of the students have single parent; mostly only mother. There are about eleven students who lost both their parents. Their parents are unable to provide them enough financial support for education. In such situation sending their children for higher education becomes day dream. With the inspiration of the institution's legacy student aid fund is given to industrious students who are unable to pay the fees and to meet educational expenses.

#### The practice:

A Scholarship committee headed by the Principal comprising of IQAC Co-coordinator and about 10 members has been constituted in the college. It was decided to extend the scholarship benefit to the deserving students who do not have the advantage of government or any other scholarships. The committee adheres to the rules in selecting the students unbiased.

The sponsors deposited money so that interest is given as scholarship. Few sponsors deposit money for scholarships year wise.

The college scrutinizes the applications received from aspirants for the scholarships. The notice for the scholarships is timely well published on DAV App, College notice board. Teachers through mentor-mentee also promote in reaching the scholarship aspirants. Faculty members also donate generously along with the alumni. The criteria for the scholarships was decided and named accordingly different as follows:

Sr. No.	Scholarship	Sponsored by	Criterion	Beneficiary Number
1	Mahatma Hansraj Merit Scholarship	Mr.Kishor Chandak (Alumnii)	Topper students in the Class of B.Sc.-I,II,III, B.A.-I,II,III, and B.Sc.-ECS-I,II,III	09

1	---	Dr. R.V.Shinde (Rs. 5,000)	Gold medal for the University rank in B.A.III	01
1	---	Dr. V. P. Ubale Faculty	Best Student	01
1	Retired faculty Dr. Mrs. Dhayagude, Dr. Pataskar, Dr.Bawachkar. S and late Dr.M.K.Kubade have sponsored cash prizes to the toppers in their respective subjects. Even supporting staff Mr. RajanTagare sponsored cash prize in the name of his father S.V.Tagre to the topper in Chemistry. The students are given this prize and amount along their felicitation by the guest at the annual day function.			

In addition to the above scholarships it is the institutes practice to honour the meritorious students by giving prizes on the annual prize distribution function. In year 2019-20 total 73 prizes has been grabbed by 45 students. These prizes are installed by alumni, staff members, parents, NGO's, etc.

#### Evidence of success:

- The number of donors has increased.
- Significant positive change has come in the staff. They came forward to help more and more to the students.
- Change in attitude of the students towards higher education.
- Students are not worried of financial issues. They are developing spirit of competition to secure first in academics.

#### Photos

#### Problems encountered and Resources required:

few scholarships compared to number of students.

Amount of scholarship must be raised. Each and every subject topper should receive a cash prize
