The push is needed for a woman in order to develop an attitude of self-respect and to know about her capabilities. In spite of her exhaustive work and input, woman is deprived of the earnings. Woman receives very meagre amount as her returns against the work done. The college admits a large number of woman students. They come from various backgrounds. Many of them are the first learners from their family and from low socio-economic classes. It is the duty of the college to educate them and to empower them. The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

$M_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $M_t$

In the GATE 2021 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

## BEST PRACTICE: 2 (Academic Year 2020-21)

**Title of the Practice:** Selfless help to the deserving.

**Objectives of the practice:**

- To help the deserving students of the college financially to save them from discontinuation of studies due to lack of money or those students who struggle for money to meet their academic expenses.
- To support all the topper students with a cash prize without any discrimination of caste, creed or gender.
- To support financially Divyang students of the college.
- To help students without parents and students with single parent.
- To promote generosity among students and to inculcate the values and sense of social responsibility and generosity among the students.

**The context:**

The students joining to the college are mostly from rural areas from nearby villages around Solapur city. Some students belong to economically poor sectors. Their parents are unable to provide them enough financial support. There are few students whose parents have committed suicide as burden of agricultural loans, lack of rainfall and etc. In such situation sending their children for higher education remains a day dream. When the students profile has been studied, it is noticed that many of the students are having single parent, mostly only mother, who struggles hard to bring them up and provide them higher education. There are such students who are struggling with their academic expenses. With the inspiration of the institution's legacy, student aid fund is given for industrious students who are unable to pay the fees. 'Earn While Learn Scheme' is being run for the students to support them financially.

**The practice:**

A Scholarship committee has been constituted in the college by the Principal to tackle financial problems of the students. The "Scholarship Committee" is headed by the Principal, IQAC Co-coordinator and members which decided to extend the scholarship benefit to the deserving students who do not have the advantage of Government or other scholarships.
