Action Taken Report on Stakeholder Feedback 2023-24

Introduction:

This report includes a summary of the actions taken in response to the enlightening suggestions shared by parents, alumni, teachers, employer and students in 2023-24. The feedback was collected through google form with the aim to improve several aspects of our institution.

Summary of Feedback: A broad range of areas were addressed in the feedback that was given, such as [academic programs, faculty, facilities, administrative processes, curriculum etc]. After an in-depth investigation, issues were found, and the following steps were taken to resolve them.

Actions Taken on:

1. *Teachers Feedback:*

- Faculty members are involved in the creation of university curricula, and suggest, propose, and implement changes into the syllabus by using the appropriate channels.
- Some of the teachers felt that there should be more focus on bridging the gap betweentheory and application. Hence, the administration constituted a research committee for encouraging undergraduate research projects with students. The college funded 03 research projects wherein students engaged and gained practical experience.

- Strengthened the communication between educators and learners through the adoption of a mentorship/guardianship program that encourages more intimate exchanges between students and faculty for help on coursework, careers, and other guidance.

2. *Student Feedback:*

- Improved career assistance, academic advising, and counseling services for students.

- IQAC and the Counseling unit together organized workshops that aimed at equipping our college community with valuable knowledge and skills to support our students during challenging times.

- In response to the demand, the college urged faculty members to record a portion of their lectures via the *Dayanand Audio Visual Center*. This would ensure learning continuity and provide students with the knowledge and abilities needed for a technologically advanced future.

- As per students need college has provided Dayanand e-seva kendra.

3. *Alumni Feedback:*

- We are constantly working to improve the overall experience for both present and prospective students motivated by their experiences, and feedback from our outstanding alumni.

- Our college established the Innovation, Incubation center in in response to one of the feedback items regarding the necessity of creating an incubation center for start-ups and entrepreneurial activity.

- One of the alumni also indicated interest in hiring our students for their company; the college's placement department will pursue this.

4. *Parent Feedback:*

- Based on parent feedback college has taken initiative for the campus safety measures and security protocols in place to ensure the well-being of their child. This could include feedback on emergency preparedness, campus policing, and measures taken to prevent harassment or violence.

- The college's efforts to prepare students for future success, including internship opportunities, career counseling, and alumni networking.

- College has started Rational Thinking Cell for the students. The cell covers topics on the ability to think with reason. It encompasses the ability to draw sensible conclusions from facts, logic and data.

5. *Employer Feedback:*

- Employers may provide feedback on the technical skills relevant to their industry or field of work. This could include proficiency in specific software programs, technical knowledge related to the job role, and the ability to use industry-specific tools and equipment.

- Strong communication skills in college graduates. This includes the ability to effectively convey ideas, listen actively, write clearly and concisely, and communicate professionally both verbally and in writing.

- Employers may provide feedback on a student's leadership abilities and potential. This could include examples of times when the student has taken on leadership roles, demonstrated initiative, and effectively motivated and influenced others.
