BEST PRACTICE – 1

Women- Architect of Society

1. Title of the Practice: Women- Architect of Society

Motto: Safety, Self-competency, Self-respect

2. Objectives of the Practice:

- To bring awareness about women rights.
- Being a woman, the access is denied by the society in various fields.
- To develop attitude for self-defense and self-security.
- To strengthen girl students by creating awareness about health, nutrition and hygiene.
- To acquire and develop life skills.
- To discover innovative, creative potential and hidden talents in girl students.
- To make girl students economically stable.
- To explore career opportunities through counseling and personal guidance.
- To develop a sense of social and civic responsibilities.
- To enhance leadership qualities by building the self-confidence.

3. The Context:

Empowerment is "enablement". It enables the person to gain insight and to make the person aware of the current situations. The process could involve a change in perceptions about the self and the environment. The push is needed for a woman in order to develop an attitude of self-respect and to know about her capability. In spite of her exhaustive work and input, woman is deprived of the earnings. Woman receives very meager amount as her returns against the work done. The college admits a large number of girl students. They come from various backgrounds. Many of them are the first learners from their family and from low socio-economic classes, it is the duty of the college to educate them and to empower them. "When you educate a girl you educate a nation", in this context, college instituted Women empowerment i.e. AARYA CELL, ICC Committee and Vishakha Committee.

4. The practice:

The college has constituted AARYA CELL, ICC Committee and Vishakha Committee in the academic year 2014. A committee was formed under the headship of

Principal constituting female teaching faculties and representative girl students to run various activities smoothly.

Awareness programs:

Various awareness programs regarding health, nutrition and hygiene, legal provisions, women trafficking and security, women rights, sexual harassment, gender sensitization, career opportunities, voter awareness are conducted. The programs are conducted in various formats like guest lecture, rallies and poster exhibitions.

Education and Training:

Women self-competency is achieved and nourished by organizing guest lectures, workshops and training programs on computer literacy, competitive examination guidance, yoga training, self-defense, bottle gardening workshop, bonsai preparing workshops.

Ensuring safety:

Women need safety from eve teasers, rapists, sexual harassment and violence. These events are increasing day by day. Police efforts and making of the laws are not adequate measures to tackle the increasing incidences. Therefore, AARYA Cell, ICC Committee and Vishakha Committee trains the girl students for self-defense, road safety and even for women trafficking. The college has appointed women security force for security and discipline in the campus.

Motivational programs:

Girl students are motivated to explore their hidden talent to participate in Avishkar research festival, rangoli drawing competitions, food carving competitions, mehendi drawing competition, clay modeling and craft making, elocution, essay writing, debate competition, singing and other cultural and art work competitions organized by our college and also other colleges. From academic year 2017-2018 Yuvati Mohstava and Miss Dayanand competitions, Dayanand Talent Search Competition, Science Olympiad, Quiz competitions, Mahatma Anand Swami spelling competition, Naitik Pariksha (Dharmshiksha) examination are also organized. Dayanand Shri Award for the outstanding student, Girl students are also motivated to participate in Startup India program. The interested girl students are trained to play Nasik specialty drum by our female teaching faculty.

Socio-economic aid and educational aid:**Dayanand Earn while learn scheme:**

The college has implemented “Dayanand Earn while Learn” from 2016 to support poor and needy students. During the year 2023-24, two girl students were benefitted.

Scholarships:

The college offers merit scholarships to those students who are economically weak, and to those who have lost their parent/s.

Helping hand program:

The AARYA CELL and alumni of Batch 2010, on the occasion of Diwali Festival visited ‘Siddheshwar Co-operative Sugar Factory, Solapur and distributed Diwali sweets to the workers who stay away from their home towns in the year 2021.

The AARYA CELL, ICC Committee and Vishakha Committee in Collaboration with NGO, Aai Pratishtan, Solapur distributed of Dress materials to selected orphan, single parent, single girl child girl student, economically backward girl students at the hands of Hon. Shree. Mohan Dangare, Secretary, Aai Pratishtan, Solapur.

Grooming of overall personality:

To develop overall personality of girl students, guest lectures and workshops on career guidance and job opportunity, life skill, spoken English are organized.

Traditional day programs:

To keep connected to our culture, values, our origin and to preserve it, to forget all the chaos of life and to embrace good hopes and to come together, the teaching, non-teaching female staff and girl students of the college celebrate Dandiya Mohstav, Nagpanchami, Navratri Utstav, Bhondala.

Felicitation of Women Faculty (Teaching & Non-teaching staff):

The AARYA CELL, ICC Committee and Vishakha Committee on the occasion of “International Women’s Day” from the academic year 2020-21 initiated “Felicitation of Women Staff by offering gifts” as healthy practice as an encouragement for their contribution in the development and progress of college.

Extension activities:

The extension Activity, “Vidyanvari shanivari” was conducted by B. Sc. Part-III girl students Miss Domal Chandrama Govind, Miss Kore Pooja Rajendra, Miss. Shweta Ramesh Vhatkar, Miss. Soumya Gajanan Sopal in Highschools.

This activity was aimed to improve the creative thinking and imagination power of students, to deliver the scientific reason of concepts in detail, to create interest in science with the help of practical experiments and involvement of students, to make a student rational thinker with the help of practical knowledge and experiments.

Extension activity by Miss. Parjanya Anjutagi (B. A. Part III) conducted the workshops on “Making Ecofriendly Ganpati” at Chh. Shivaji Prashala, Lal Bahaddur Shastri Highschool, Precision English School, Sangameshwar College, Solapur. She also participated in the Final event of Meri Mati Mera Desh campaign i.e. concluding ceremony of the Amrit Kalash Yatra on 30th and 31st October 2023 at New Delhi.

She also have taken leadership role as Planning Minister of Solapur in Career Sansad of State Career Katta – An initiative of Higher and Technical Education, Government of Maharashtra.

5. Evidence of success:

The successful organization of the events itself is the evidence of success. Following are the outcomes and some achievements of girl students are as follows:

Problems Encountered

- Lack of role models in the society to get inspired.
- Overlapping of few theory lectures and practical sessions.
- Reluctance of girl students to stay for long time in college campus.
- Parents of girl students have a fear of violence and insecurity.
- Ignorance and negligence at workplace as well as social field.

Resources required

- Strengthening the girl students by more involvement of NGO, funding agencies, charity trusts.
- Raising public awareness through voluntary organizations.
- Budgetary provision by University to run or implement various activities.
- Parental participation and contribution in higher education policy.
- Stipend to girl students especially pursuing higher education like PG and Ph.D. courses.

BEST PRACTICE – 2

Financial Assistance to Aspirants through Scholarships

Title of the Practice: Selfless help to the deserved**Objectives of the practice:**

- To help the deserving students of the college financially to save them from discontinuation of studies due to lack of money or those students who struggle for money to meet their academic expenses
- To support all the topper students without any discrimination of caste, creed or gender.
- To financially support Divyang students of the college.
- To help students without parents and students with single parents.
- To promote equality among students in the campus
- To inculcate the values of sense of social responsibility and generosity among the students

The context:

The students joining to our college are mostly from rural areas from nearby villages in and around Solapur. Some students are from economically poor background. Their parents were unable to provide them enough financial support. There are few students whose parents committed suicide as burden of agricultural loans, lack of rainfall etc. In such situation sending their children for higher education becomes day dream. When the students profile has been studied it was noticed that many of the students are having single parent mostly only mother who struggles hard to bring them up in education. There are few students who lost both their parents with certain lifestyle disorders, cancer, accidents and were struggling with their academic expenses. With the inspiration of the institution's legacy student aid fund is given for industrious students who are economically weak and unable to pay the fees.

The practice:

A committee has been constituted in the college by the Principal to answer financial problems of the students. The committee was deciphered as "Scholarship Committee" headed by the Principal and IQAC Co-coordinator and members. It was decided to extend the scholarship benefit to the deserving students who do not have the advantage of government or any other scholarships. The committee adheres to the rules in selecting the students unbiased. Few sponsors deposited money so that interest is given as scholarship.

Scholarship committee meeting is organized biannually in making the policies or criteria for disbursing the scholarship so that the students are fetched well. The committee also discuss about verification, financial aid and review is also taken for the betterment planning. The college scrutinizes the applications received from aspirants for the scholarships. The notice of scholarships are well published on College web site, notice board and online portal too. Teachers through mentor-mentee also promote in reaching the scholarship aspirants.

The number of donors for scholarships increased. Faculty came forward to donate generously along with the alumni.

Student aid fund is given as financial assistance to economically weak students. It is disbursed to following needy and poor students keep on going on a head. Various cash prizes are given to the achievers in competitive exam, quiz, science Olympiads, elocution competition etc.

The most rewarding part of this practice is watching your students become involved and passionate about the studies. These academic honors of the students were awarded with amount during the annual prize distribution. The annual prize distribution in the form of amount was given to the students as follows
