Subject	ECONOMICS
Paper No. and Title	Economics Paper XII (Micro Economics)
Module (Flipped classroom) Title	Concept of Supply
Module Tag	DAYA.DAMJI.M2

By

Associate Professor

Department of **Economics**

D. B. F. Dayanand College of Arts and Science, Solapur.

2020-21

Module No. 2

Title – Concept of Supply

- **Prerequisites** – Learners should know the meaning of Supply.
- **Objectives of the Module**

→ **Sub Unit 1** - Definition of Demand

	Content	Objectives (Learner should be able to)	Cognitive Level
1.1	Definition of Supply	Define supply	Remembering
		Memorise the definition of supply	Remembering
		Recall the definition of supply	Remembering
		Apply the definition of supply	Applying
		Compare with the definitions given by other scholars	Understanding
		Evaluate the definition of supply	Evaluating
1.2	Supply schedule	Definition of supply schedule	Understanding
		Memorise the definition of supply schedule	Understanding
		Recall the definition of supply schedule	
		Apply the definition of supply schedule	Applying
		Compare the individual and market supply schedule	Analysing

→ **Sub Unit 2** – Determinants of Supply

	Content	Objectives (Learner should be able to)	Cognitive Level
2.1	Factors affecting Supply	Know the Elements of Supply	Understanding
		Understand the illustrations	Understanding
		Memorise the illustrations	Remembering
		Recall the illustrations	Understanding
		Write the factors affecting Supply with example, in tabular form	Creating
2.2	Supply Curve	Know the Supply Curve	Understanding
		Understand the illustrations	Understanding
		Memorise the illustrations	Remembering
		Recall the illustrations	Understanding
		Draw the Supply Curve	Creating
		Show the causes of changes in Supply	Creating

Detailed Plan of Out-of -class and In-class activities

Week 1

Sub Unit 1 - Definition of Supply

Objectives:

- To know the definition of Supply with example.
- To understand the Supply Schedule

Resources Needed:

→ Title and Nature of Resources: Syllabus of B.A.III of Economics (Paper XII)

→ Material OER/URL/Instructor-made/Copywriter/Text Book etc.

1) Text Books

2) Instructor-made PPT -

<https://drive.google.com/file/d/1-YddWzmIN-ayvz1K-OSInIDXsvyVXduc/view?usp=sharing>

3) Video link -

<https://youtu.be/e0emqZOOliY>

Units	Out-of –class activity (Details of Activity)	In-class activity (Details of Activity)	Assessment
1.1	Students should read out the topic from Text book Students should listen the recordings	Discussion on the topic Check the level of understanding through Question – answer session	Question – answer session
1.2	Students should read out the topic from Text book Students should listen the recordings	Same as above Help students to apply the definition	Question to write in detail

Week 2

Sub Unit 2 – Determinants of Supply

Objectives:

- To know the Determinants of Supply with example
- To know the Supply Curve
- To explain the causes of change in Supply.

Resources Needed:

→ Title and Nature of Resources –

Syllabus of B.A.III Economics (Paper XII)

→ Material OER/URL/Instructor-made/Copywrited/Text Book etc.

1) Text Books

2) Instructor-made PPT -
