

1. Name : Dr. DIKSHIT VINAY MADHUSUDAN
2. Designation : Associate Professor
3. Year of Joining : 1985 – 2005 (Jr. College)  
: 2005 – till date (Sr. College)
4. Educational Qualification : M.Sc., D.C.S., B.Ed., M.Phil., Ph.D.
5. Thesis title (If any) : “MORPHOTECTONIC STUDY OF THE AREA AROUND  
LANJA, DISTRICT RATNAGIRI, MAHARASHTRA”
6. Area of Research : Geomorphology, Remote Sensing, GIS and Structural Geology
7. Hobbies : Reading, Travelling and driving.
8. Publication list :
  - A. International Journals: 15
  - B. State / University Journals:1
  - C. Seminar Proceedings: 2
9. Papers presented at Conferences / Seminars / Symposia etc
  - A. International conferences / symposia: 3
  - B. National Conferences / symposia: 15
10. Books, manual etc. published or edited: 6
11. Research Schemes/ Projects:3
12. Professional Training Received: Orientation 1, Refresher 2, Workshop 3
13. Membership of Professional Bodies:

Name of the Body	Statues of Membership : Life/Annual
Indian Society of Remote Sensing, Deharadun	Life
Geological Association and Research Centre, Balaghat	Honorary Member
“Geoforum” Association of Geologists and Hydrogeologists, Aurangabad	Member

14. Other extra-curricular activities related to research:

Established research collaboration with various departments of the other universities.

- a. Research collaboration established with Department of Electronics, Shivaji University, Kolhapur in the field of Fuzzy logic and MATLAB applications in image analysis. Year 2010
- b. Research collaboration established with Department of Mathematics, Shivaji University, Kolhapur in the field of MATLAB applications in image analysis. Year 2010
- c. Research collaboration established with Department of Geology, Bundelkhand University, Jhansi on their request in the field of Digital Elevation Modeling in Terrain Analysis. Year 2011
